## SAINT-ESTEPHE

### Story:

Le Château Laffitte Carcasset enjoys an outstanding location in the heart of Saint-Estèphe and near Crus Bourgeois Châteaux de Pez and Tronquoy Lalande. The first known owner was the king's attorney Joseph Laffitte arrived in the eighteenth century. He formed the vineyard from scratch and then built the monastery, which still today illuminates the area in all its splendor. In recognition of his commitment, he added his name to the castle, so far known by its locality "Carcasset".
